

# CompTIA E2C Survey Results

I would like to thank all members who responded to the recent E2C survey for their invaluable feedback. The main highlights are detailed below. Without your feedback, we cannot improve our service to you and give you what you need to deliver CompTIA certifications successfully. If you would like to have your say, please contact me and I will send you the link to the survey.

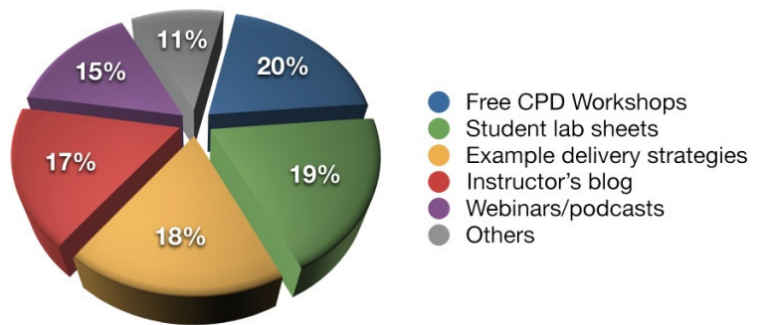

## Results of E2C membership Survey

### Use of E2C membership benefits

There are a number of benefits that many of you aren't currently taking advantage of. The main two that stand out are free tutor vouchers and practice test questions. The benefits have been created from your feedback so please use them.

### E2C membership benefits you would like to have in the future

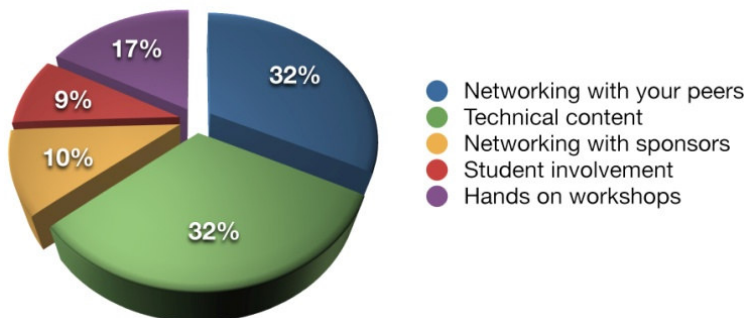

We have already taken these results into account and throughout 2009, we will be holding regional workshops on a number of topics.

We will also be producing student lab sheets and these will be available next year.

Please remember that we rely on you to tell us what you need, if there is something we can produce to help you, please let us know.

### Your reasons for attending the 5<sup>th</sup> Annual E2C Event

Many of you have commented on how much you enjoyed this year's 5<sup>th</sup> Annual E2C Event. Each year we try and bring you something different and this year we had some fantastic speakers including a networking technical masterclass. 32% of respondents state that technical content and networking time to share best practices were the most important factors in attending the E2C Event. We will ensure that you have both of these at the 2009 annual event on 24<sup>th</sup> April 2009.

### Testimonials from the E2C Event 2008

*'I have attended the events for the past few years and find them very informative. The benefits of networking with other organisations are fantastic.'*

*'Good for motivation, networking, updating, offering as a 'perk' to others'*

*'Much of what I learned from the guest speakers in Birmingham has changed the way I now deliver my programs'*

*'There are always informative and inspirational keynote speakers'*

Thank you for your continued support to the E2C Programme.

Michelle Henderson, E2C Programme Manager
