

Booking Exams

1. Register

If relevant, register with your awarding body with whom you are offering A+ as a unit or as part of a whole qualification (OCR – www.ocr.org.uk/ipro or City & Guilds – enquiry@city-and-guilds.co.uk)

2. Purchase – City & Guilds route

To start purchasing your test vouchers and take advantage of the lower E2C pricing you will need to call either Pearson VUE or Thomson Prometric (whichever organisation you wish to test with). **NOTE:** This is only the case for those offering A+ via the City & Guilds route, or those that are offering A+ or Network+ as stand alone certifications and not going through an awarding body. **Go to step 4**

3. Purchase - OCR route

If you are taking CompTIA certifications with OCR then please contact OCR to order your vouchers – do not contact Pearson VUE or Thomson Prometric directly.

4. Order Vouchers

When calling Pearson VUE or Thomson Prometric, you must explain to the customer service representative, that you are an E2C Programme Educational Tax Supported Member of CompTIA and provide them with your CompTIA membership number. You must then state the type of vouchers that you wish to purchase – the types of vouchers you can purchase are:

- JK0-301 JOBS+ A+ Core Service Technician (£62)
- JK0-302 JOBS+ A+ OS Technologies (£62)
- JK0-012 JOBS+ Network+ Certification Exam (£82)
- JK0-010 Security+ (£101)
- JK0-009 Server+ (£82)
- JK0-008 Linux+ (£82)

Contact details to these companies within the United Kingdom are...
