Keynote Presentation

Leading High-Performance During Turbulence

Description

You are a leader, and now more than ever, it's time to stand up and lead.

In this session Stacey will share with you

- How to build the foundations for performance in turbulent times
- How to take control and ramp up your leadership in the face of current conditions
- How to be visible and keep your team focused and on task, even if they are working remotely
- How to support yourself and your team through this time of significant change and challenge
- Practical tools and strategies for leading the people around you
