Tuesday, March 12

8:00 – 8:45 a.m.	Networking Breakfast	
9:00 – 10:15 a.m.	<p>Communities Welcome and Industry Focus Session <i>Getting Over the Future Gap</i></p> <p>Science-fiction has long promised an amazingly-convenient future that has yet to arrive. How do we get there? The answer lies in companies embracing emerging technologies and taking the steps to actually implement those innovative solutions. Join CompTIA's Chief Technology Evangelist James Stanger for a pragmatic look at the "future gap" -- the space between what emerging tech has made possible and what's actually been adopted. Working with a panel of experts, we'll provide concrete steps on how we can take technology that is tantalizingly close to revolutionizing business -- AI, blockchain and XR to name a few -- from the bleeding edge to the boardroom.</p>	<p>Councils' Welcome and Introductions <i>(appointed council members)</i></p> <p>Kickoff of Industry Advisory Councils for 2019! Get the full picture of what's in store for our Councils this year.</p>
